10. System

Tournaments A and B are played according to Swiss system, 9 rounds, 90 minutes for the first 40 moves, followed by 30 minutes for the rest of the game, with an addition of 30 seconds per move starting from move one.

Tournament C is played according to Swiss system, 9 rounds, 60 minutes per game, with an addition of 30 seconds per move starting from move one.

All tournaments will be governed by the FIDE Laws of Chess and FIDE Competition Rules.

The player with more than 30-minutes delay loses the game.

The game and concept of chess is based on the assumption that everyone involved/concerned observe existing rules and regulations and attaches the greatest importance to fair play and good sportsmanship.

If the Main Arbiter will have any reason to suspect that the game is played not according to ethical rules:

- the result of the game was agreed before the first move
- the chess players use electronic or other help

then he will act.
